We wish to use material from the following:

Journal/BookTitle:*
Author/Article Title:*
ISBN/ISSN Number:
Volume/Issue/Year/Page:*
Details of which part of the material is to be used (e.g., figure/table/text):*
.....
.....
.....
.....
.....

* denotes compulsory information

The material will be used in our publication **Stereoselective Synthesis** in print and also in an electronic version. The electronic version will be available in various formats such as XML and ISIS. The material will be used in intranets and the use will be restricted to registered users. Further electronic media may also be possible in later years. **Science of Synthesis** is an English language publication.

We enclose the following for your further information:

- a copy of the original figure/table/text.
- an example of how the material will be reproduced.

If you have any further queries please do not hesitate to contact me or the Thieme Head Office (addresses given above).
